dated 21st instant
from Mr. Eagles
forwarding statemen
of Plague Expenditur
up to 30th October 1898
I am directed to stat
that the same is not
quite intelligible.
While some Govt
of account is furnishe
for Rs 157,000 it is
not stated against
whom the advance

4, 16,762
of 16,000 stands, and
why the same is not
accounted for.

It is further observed
that the "unadjusted"
advances are very
unsatisfactory, and
that Govt would like to
them adjusted at once.

PLAGUE. DEPARTMENT.

OFFICE OF THE COMPTROLLER, MYSORE GOVT.

Bangalore, 28th February 1899

From

R. R. SUBRAYER, Esq.,

Comptroller, Mysore Govt

To

The Secretary to the Govt. of Mysore,

General and Revenue Depts.

Sir,

In acknowledging receipt of your letter No. Pg. 561 dated 29th November 98, I beg to submit that the demi official letter from my assistant which has been singled out for formal official notice in your letter above quoted, was, I understand, written in reply to your requisition, made on a slip of paper calling for a rough account of all payments made on account of plague preventive measures, up to end of October last under five heads — therein specified.

2 From the enclosures that accompanied this Demi official letter, I find that all the information that was available

available in this office, at the time, has been given in the forms required and in the subsidiary statements that accompanied the Consolidated one; foot-note had been entered showing what accounts, up to what date and from what disbursers had not then been received. The amounts shown therein as advances remaining unadjusted are correct as far as accounts had then been received, and I am therefore unable to find out how and from what accounts the high figure of Rs 4,16,762/- mentioned in your letter has been obtained.

3 As observed in para 2 of your letter "Unadjusted advances" are not only very unsatisfactory, but entail on this office a very large amount of unnecessary extra labour, careful watching and correspondence But I beg, however, humbly to submit that these advances were not made either on my recommendation or on my responsibility, but were originally sanctioned by Government to be made to various Deputy Commissioners.

Commissioners, Presidents of Municipalities and Heads of Departments, to be — accounted for by them, this Office adjusting the advances, as in the case of other advances only on receipt of accounts — formally passed, and as long as Government is pleased to permit this system of drawing funds from Treasuries for — Government expenditure as advances and of accounting for them after the specific necessity for which they were drawn has ceased to exist, the present unsatisfactory state of the advance account will continue.

4. After the issue of Government Order a/c 3082-94 dated 26th October 1898, prescribing rules in regard to the administration and accounting of Plague funds, the Plague Commissioner, the Senior Surgeon, the Deputy Commissioners of Districts and the Presidents of Bangalore and Mysore City Municipalities were furnished by this Office with detail instructions and necessary forms of accounts and Registers, and called upon to furnish accounts in those forms of all expenditure incurred on plague preventive
